Stichting Digitalezorg.nl

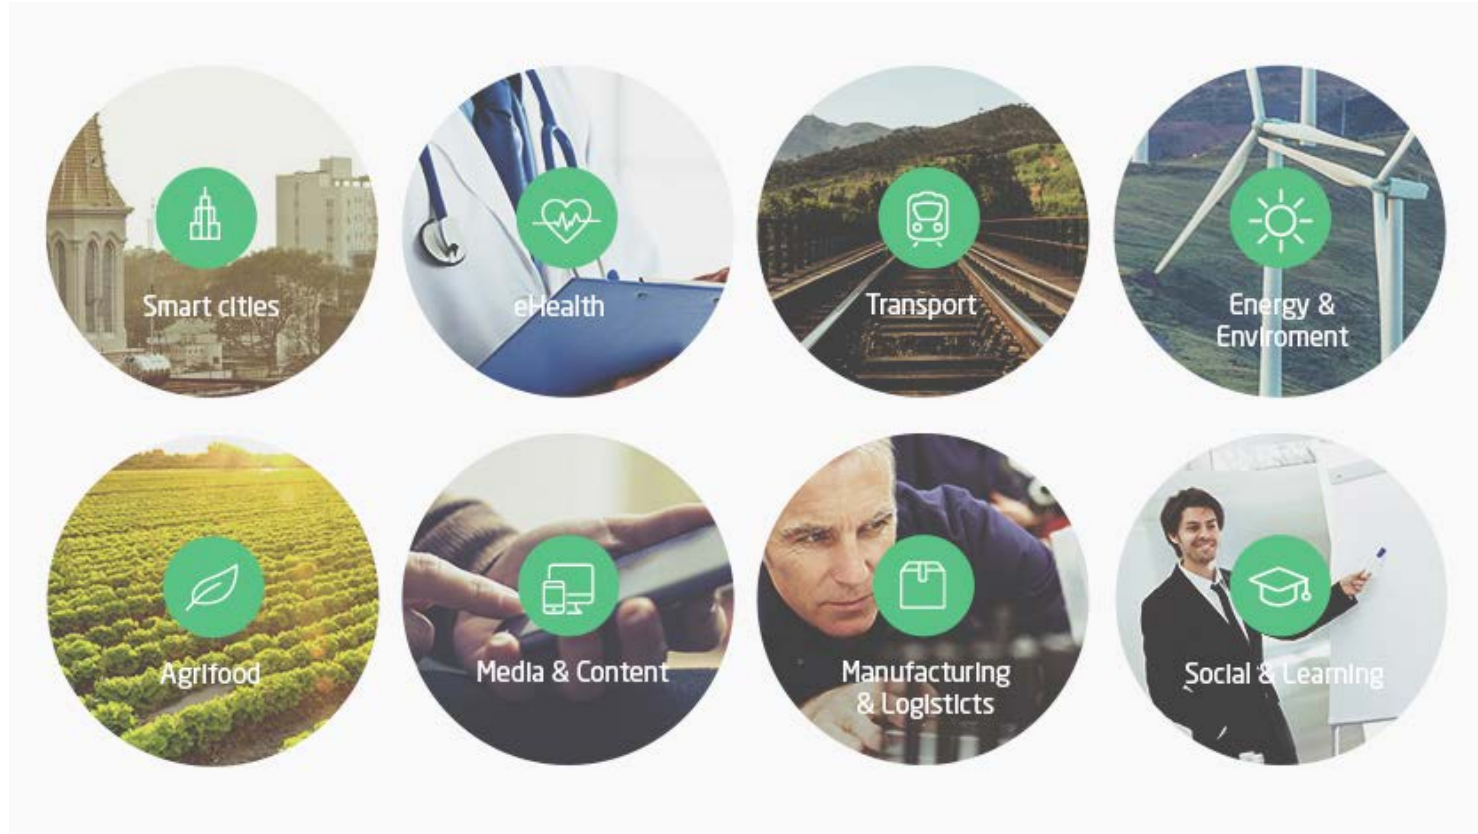

The Future Internet Public-Private Partnership (FI-PPP)

- The aim of the FI-PPP is **to place Europe in the best position to capture new opportunities in the Future Internet**, derived from digitalization of economy sectors
- This requires creating **an generic, open and standard platform** and **meeting point** around which a dynamic innovation ecosystem can be created engaging developers and entrepreneurs

FIWARE Accelerator Projects

FICHe

Future Internet Challenge eHealth

Future Internet CHallenge eHealth

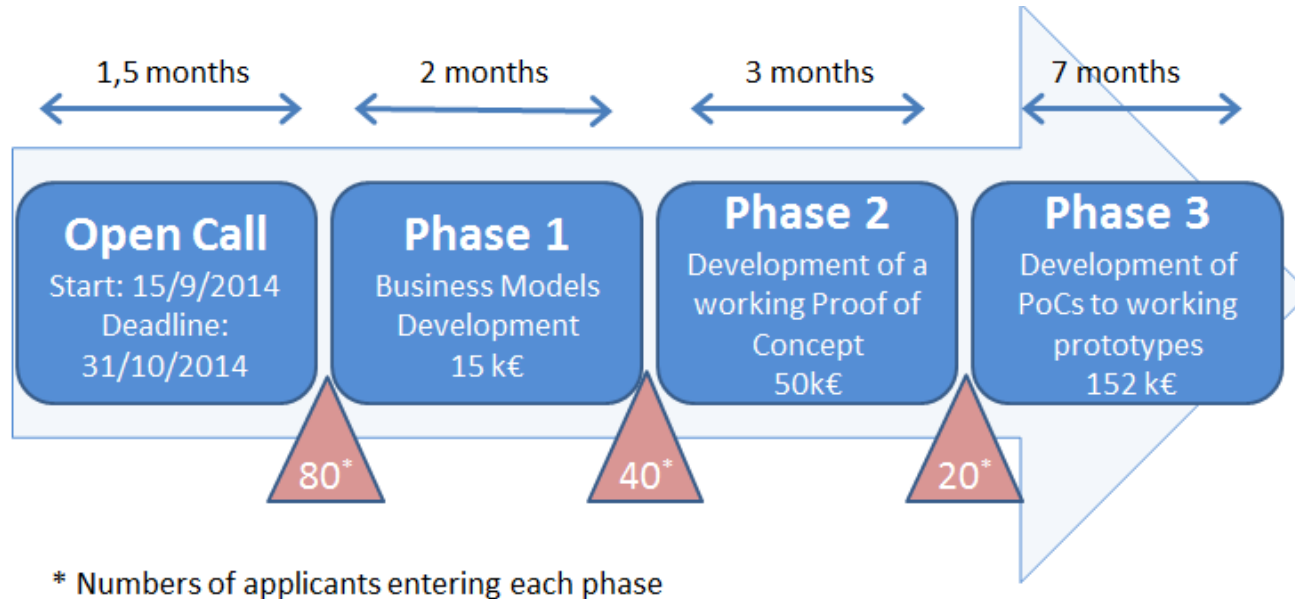

- One of the **16 accelerator projects** supported by the Future Internet program and targeted to **the successful deployment of FIWARE technology** with the aim to create successful businesses throughout Europe
- To accelerate **SMEs and startups** that develop **innovative applications in the eHealth** domain
- SMEs will translate their idea into **a field lab tested prototype near market ready**, while elaborating their **business plan** and **go-to-market strategy**
- Consortium partners are:

Value Proposition

- Accelerate **SMEs and startups** that develop **innovative applications** in the **eHealth** domain using FIWARE technology
- Support SMEs and startups in translating their idea into **a field lab tested prototype**, while elaborating their **business plan** and **go-to-market strategy** through:
 - Business & technical **coaching, training** and **matchmaking** events
 - **Co-creation** with **end-users and field labs** to enhance the chances of **successful uptake and business**
 - Funding by grants up to **217.000€**, total amount of funding is 6.240.000€
 - **Matchmaking** events with investors, public funds, procurers etc

Process

18-month challenge, split in a three phase acceleration program

- 80 teams will enter the first phase with grant of 15 000€,
- 40 will continue with 50 000€, and
- 20 finalists entering the third and last phase will receive 152 000€

Our results

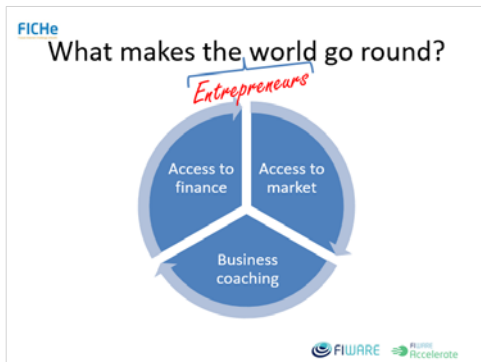

What makes the world go round?

Do we need AAL accelerator?

YES!

Market – Finance - Coaching

Typical accelerators

- Accept a wide range of startups within one sector
- Are relatively short in duration (3-6 months)
- Are national (or regional) oriented
- Organize an open call
- Offer a package of benefits in exchange of equity

Some recommendations

- Choose your market
- Start with existing IP
- Make it last
- Think global, act local
- Accelerate the ones you know
- Partner-up!
- Don't forget the SROI...
